Dedication

Mrs. Susan Patterson

1981

The word "dedication" has several meanings but on this page two definitions are used. One application of the word means "an inscription in a book to a person in testimony of affection or respect"-the Senior Class of 1981 has "dedicated" the **Milestones** to Mrs. Susan Patterson, a very "dedicated" person-which is where the second "dedication" comes into use. "Dedication" in this second sense means the devoting of oneself wholly and earnestly to a cause. The shining attribute of Susan Patterson is her "dedication" to Kings Mountain Senior High School.

This curly-haired pixie of a person gets to school early and doesn't mind working late. Along with the capable cooperation of Mrs. Mary Taylor, Susan Patterson has worked long and hard to make the Kings Mountain Senior High School newspaper, **The Mountaineer** an interesting, complete, and innovative source of news to the students. In order to provide money for the newspaper Mrs. Patterson has washed cars, sold cakes, conducted contests, held fashion shows, and even dressed up male stu-

dents as female students.

If her "dedication" ended there, that would be enough for a "dedication" award; but she does more. Susan was co-sponsor of the Muscular Dystrophy Dance-a-thon last year, and did an excellent job. She has entertained faculty members at her home and was always the gracious hostess. She even works to further her learning so that she can be better informed, which in turn will help her students.

Perhaps the best example of Susan Patterson's "dedication" is in the classroom. She is sincerely concerned about all of her students and will do everything she can to help someone who comes to her for assistance. Mrs. Patterson is concerned with more than a person's performance in class. She worries about a student's problems, dilemmas, and gripes in order to determine how she can best teach her students how to learn.

Because of all her dedication the Senior Class of 1981 is proud to dedicate the 1981 **Milestones** to Mrs. Susan Patterson.

This year's annual is one that we hope you all will enjoy. Through its pages we hope to bring back the memories of the 1980-81 school year, whether they are good or bad. Much work has gone into this year's book and we hope you will appreciate all the hard work that has been put into it. We thought that movies are so much a part of a teenager's life, that a movie theme would be fun to work with and would be enjoyed by all.

Before school even starts, students are busy. Summer school, band practice, and football practice are only a few of the things being started. Then the day comes: school starts. Classes are begun, clubs organized, and teams formed. The first of the school year is a busy time; the start of a successful year.

After that first day, all activities get into full swing. First comes volleyball and girls tennis, and the favorite sport of them all-football. The first pep rally is held and the Mountie spirit fills the school with excitement. Sophomores and Juniors look forward to many pep rallies to come and Seniors look forward to memories they will never forget.

Spirit Week . . . the most awaited week of the fall season. Students dress in all fashions to show their spirit. This year students from all organizations helped to construct five floats to be in the Bicentennial/Homecoming Parade. As usual, students showed their insurmountable spirit by participating in all spirit week activities.

Looking back over the year, remember when you were looking through the microscope and you thought you had crushed the slide?, or in Chemistry when you studied for two hours and came to find out it was the wrong chapter? In choir when you weren't looking at the director and everyone stopped singing except you? Or in Home Ec when you were having someone model your pants so you could get the hem just perfect?, and it slipped, causing that person to avoid you the whole year? Or in Cosmotology when you were going to "work on" a real person, and you spilled everything all over them.

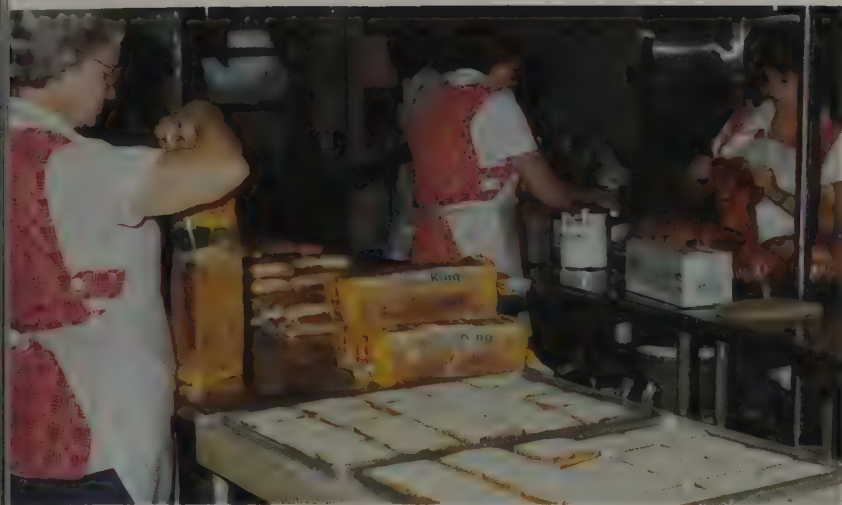

Remember what a typical day was like? Fighting the morning traffic jam when you are already 15 minutes late, seeing your friends between classes and not having enough time to catch up on the latest gossip, then when the last bell finally rings, you want to stay around and talk, even though you said you couldn't wait to get out.

Looking back-remembering the school year-you can't help thinking, "Well, maybe this year wasn't so bad!" Seeing yourself and your friends-laughing, crying, and smiling-will always make you remember the good times.

Senior Items

Times of Your Life

Good morning, yesterday; You wake up, and time has slipped away. And suddenly it's hard to find the memories you left behind, remember. Do you remember the laughter and the tears, the shadows of misty yester years? The good times and the bad you've seen, and all others in between, remember. Do you remember the times of your life? Reach back for the joy and the sorrow, put them away in your mind; For mem'ries are the times that you borrow. To spend when you get to tomorrow. Here comes the setting sun; The seasons are passing one by one. So gather moments while you may; collect the dreams you dream today, remember. Will you remember the times of your life?

FORMED

. . . Seniors!

Exhibiting leadership, the Senior Class of '81 has set examples for the underclassmen at KMSHS to follow. They have cheered our teams on through defeats and victories. Their spirit and enthusiasm have caught on at pep rallies and enlivened the student body.

This fun-filled, busy year included the historic Bicentennial celebration of the Battle of Kings Mountain in which students were actively involved. The Homecoming Parade became part of a mammoth Bicentennial Parade on a memorable holiday for everyone, October 7.

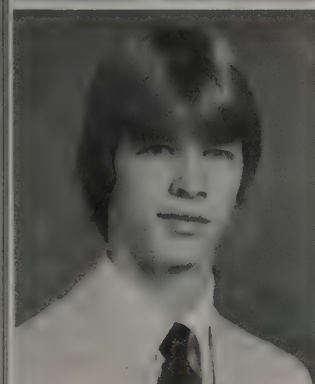

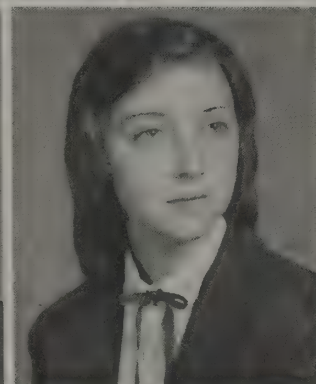

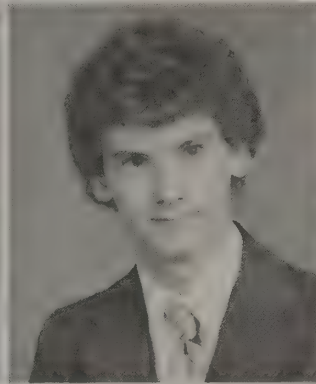

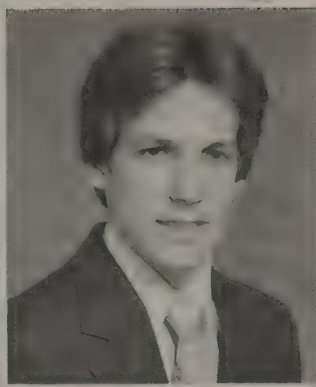

The usual worries about college applications, SAT scores, exams, report cards, class rank are now in the past. Friends will soon go their various ways-some to college, some to jobs, some to military service, leaving behind high school memories of football games, dates, proms, club meetings, and other activities that have made KMSHS a cherished part of their lives.

Most class members have already made decisions about their goals in life. With a show of maturity, they are ready now to take the next step that will lead them to these goals.

Jane Hambright, President; Edie Schronce, Treasurer; Steven Gnanad, Vice-President; Janice Scoggins, Secretary.

Times Of Your Life

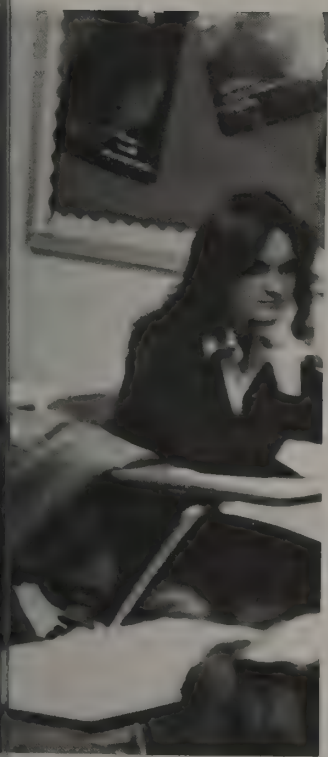

The new school year begins with some seniors being a little cocky. We feel so much older and important as the underclassmen look to us for examples. As seniors we also imitate the classes before us, demanding more senior priviledges, griping at the unfairness of authority, maybe raising a little too much hell, but most of all, trying to make our last year at KMSHS the best ever.

We go through our final year saying, "This is our last half-time show, our last bonfire, our last time to participate in a sport as a student, our last cheer, our last pep rally, our last prom, and the final time we sing, "Dear ole KM High we love thee . . ." at graduation. Most of us are glad to be leaving, but we will miss all the activities of high school.

Seniors, trying to make the good times last as long as possible, may neglect school work. We are tired of working; this is a year to enjoy! The bad experiences which have made us grow and the happy times we've shared will remain with us forever. We have so many memories of friends, parties, dances, games, and the wonderful education we have received. We want to remember them all. With this annual we will be able to look back. Now it is time to look ahead.

What is in the future for the class of '81?
These are the "Times of Your Life."

... Juniors!

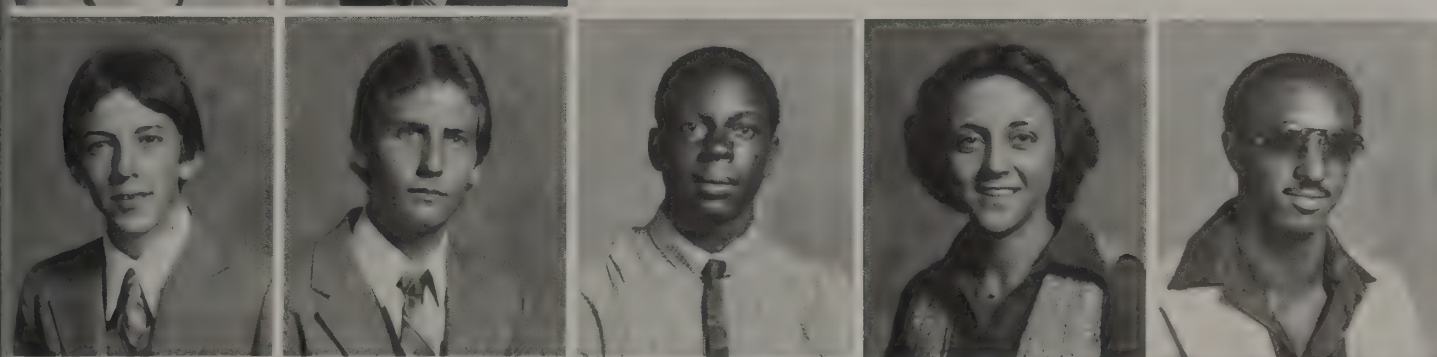

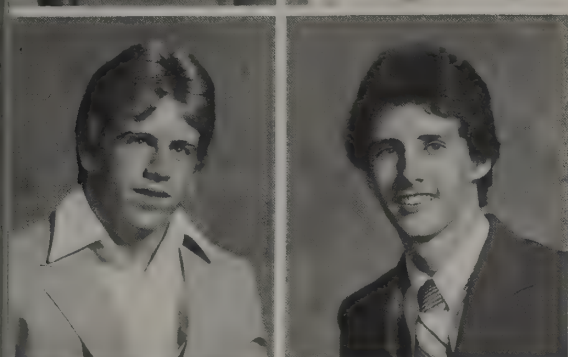

The carefree spirit of the Class of '82 has evidenced itself in several ways. Swelling the halls with their jollity and laughter, the largest class yet to enter KMSHS came bounding in ready to expend their energy on activities awaiting them. Members of the class helped to project the baseball team in 1980 to the State finals. As juniors, they raised more money for the prom than any other class. Even their class president won the title of "Miss Mountaineer" in a male beauty contest sponsored by the school newspaper. As they look forward to their senior year, they face it determined to keep the school spirit glowing that they have already helped to generate.

President-James Rikard, Vice-President-Bob Smith, Secretary-Annette Putnam, Treasurer-Chub Cobb.

Movies have become such a big part of our life. Everyone always has to see the latest picture. It then becomes everybody's conversation piece. Opinions always seem to vary, but that's only natural, because each individual is unique. It is hard to imagine the world without movies. We the annual staff of KMSHS hope the World Premiere of the 1981 Milestones will be as enjoyable and talked about as the current movies.

Student life here at KMSHS is as alive as ever. August through September, Friday nights are reserved for football games. All through the week preparations are made; players, band members & cheerleaders practice, pep rallies are held to boost everyone's spirit. Seasons change and the sport is different, moving the year along. The dreaded magazine sale is soon underway preparing for the long-awaited Jr.-Sr. Prom. Each year the traditions are handed down to the next class, hoping they can cope with the responsibility passed on to them.

... Sophomores!

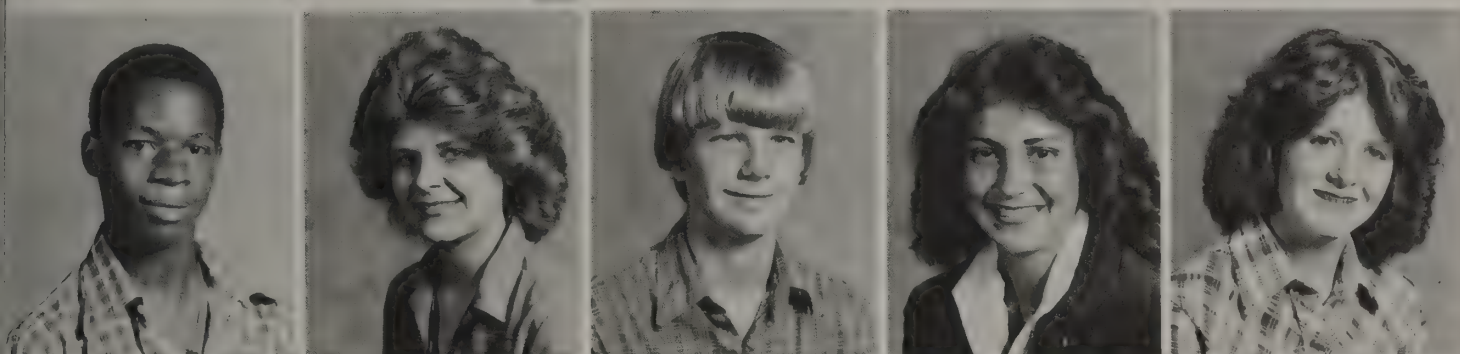

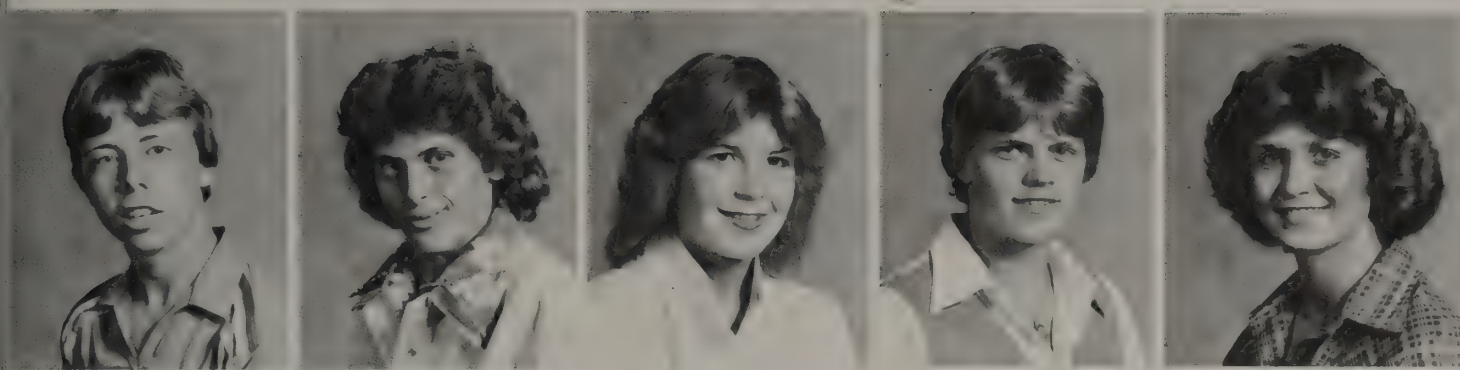

Sophomorla

Being a sophomore at KMSHS meant learning patience and understanding. Sometimes we were targets of the juniors' and seniors' ridicule and scorn. At first angered but later determined to find our place in a new setting, we soon became a part of the Mountaineer life. Here we found freedom to choose courses that would help us reach our goals and opportunities to participate in a variety of activities. The class of '83 now looks forward eagerly to the new experiences that await us.

Terri Plonk, president; Clayton Ollis, vice-president; Lisa Smith, secretary; and Karen Ledford, treasurer.

CANDID CAMERA

Judging by the reactions of some of the students at KMSHS, you could come to the conclusion that some are really hams when a camera is brought out, and then others act as if they are going to be tortured if they smile. In which category do you find yourself? Are you the next Hollywood star?

Presidential Classroom

Terry Bumgardner, Mike Cornwell, and Mark F. Smith (left above); and Pamela Hatch, Dennis Caveny, and Robert Lee Smith, III (right above) were interviewed for their leadership, attitude, and their ability to relate with others. All qualified for Presidential Classroom. These students, stayed in Washington, D.C. at weekly intervals. They had to meet certain criteria and be interested in history and government.

Governor's School

Beside their daily seminars, they had the opportunity to visit many of Washington's famous attractions. Also, they met other juniors and seniors from every state and from several European countries.

Three students from Kings Mountain Senior High School were elected by the scholarship committee to represent KMSHS at Governor's School. These students, Leigh Mauney, Stephen Lee, and Bridget Glass, were chosen for their outstanding talent and academic achievement. Leigh Mauney attended Governor's School at Winston Salem in instrumental music, playing her clarinet. Stephen Lee also attended at Winston Salem in mathematics. Attending East Governor's School at St. Andrews College in Laurinburg, Bridget Glass studied natural sciences. Governor's School lasts six weeks starting in June. Boo Robinson, Jeff Lineberger, and Stacie Rhea were also nominated.

Girls State

Attending Girls' State were Janice Scoggins and Diane Williams who were chosen and interviewed by the American Legion Auxiliary. They lived at the University of North Carolina at Greensboro, all expenses paid for a week. Bam McClain was an alternate for Girls' State.

Girls' State: Diane Williams, Bam McClain, and Janice Scoggins.

Boys' State

Kings Mountain Senior High is happy to announce that in 1979-80 three noted students participated in Boys' State. Robert Lutz, Eddie Hammett, and Jeff Lineberger were interviewed and then selected by the American Legion. They left June 15th and stayed on Salem College campus in Winston Salem, N.C. where they learned the machination of government and then experienced their own government in action. They returned after a a week's stay on June 21st.

National Honor Society

Members of the National Honor Society are chosen because of their good character, leadership, service, and scholarship. They must also have a 3.4 average which they must maintain. The teachers select the group the last semester of their junior year.

The club meets once every month. At a previous meeting they discussed colleges. The president is Jeff Lineberger; the vice-president is Boo Robinson; and Janice Scoggins is the secretary. Mrs. Griffin and Mrs. Teer are the advisors. The members are Robert Lutz, Jeff Lineberger, Eddie Hammett, Stephen Lee, Terry Bumgardner, Boo Robinson, Janice Scoggins, Leigh Mauney, Carol Edwards, and Diane Williams. Not pictured-Bobby Hagens.

Junior Marshalls-Kneeling: Jeff Lineberger, Robert Lutz, and Bobby Hagens. Standing: Boo Robinson, Stephen Lee, Terry Bumgardner, Bridget Glass, Janice Scoggins, Janet Edwards, Diane Williams, and Leigh Mauney. Not Pictured-Bobby Hagens.

Morehead Nominees

The John Motley Morehead Foundation regards the following qualities: (1) the evidence of moral force of character, of capabilities to lead and to take an interest in schoolmates, (2) scholastic ability and extra-curricular activities, and (3) physical vigor, as shown by participation in competitive sports or in other ways.

Barry Morrow, Robert Lutz, Diane Williams, Janice Scoggins, and Bridget Glass were chosen from Kings Mountain Senior High by a Nominating Committee. This Committee selected Bridget to attend Shelby for the County Selection Committee. From this group three students were selected to go to the District in Morganton. Bridget Glass, the daughter of Mr. and Mrs. Harold Glass, went as far as Morganton.

Human Relations Council

Pam Baity-Secretary, Bam McClain-President, Patty Strong, Kelly Kuykendall Back Row: Calvin Greene, Danna Scism, Dexter Tate, Carl Smith, Mike Herndon, Jeff Lingberger-Vice President.

The Beta Club meets every third Thursday at 7:30. Each student in the club is required to have a 3.2 average. They must maintain a 3.0 average to stay in the club. Members are removed after their third absence. Some of their activities include: an annual scholarship of \$300 to a deserving senior, food collection for a needy family at Christmas, and the Powder Puff Football game. The following members attended the District Beta Club Meeting in Shelby: Kim Dixon, Stephen Lee, Bob Smith, Janice Scoggins, and Jeff Ward. The advisors are Mrs. McWhirter and Mrs. Chitty.

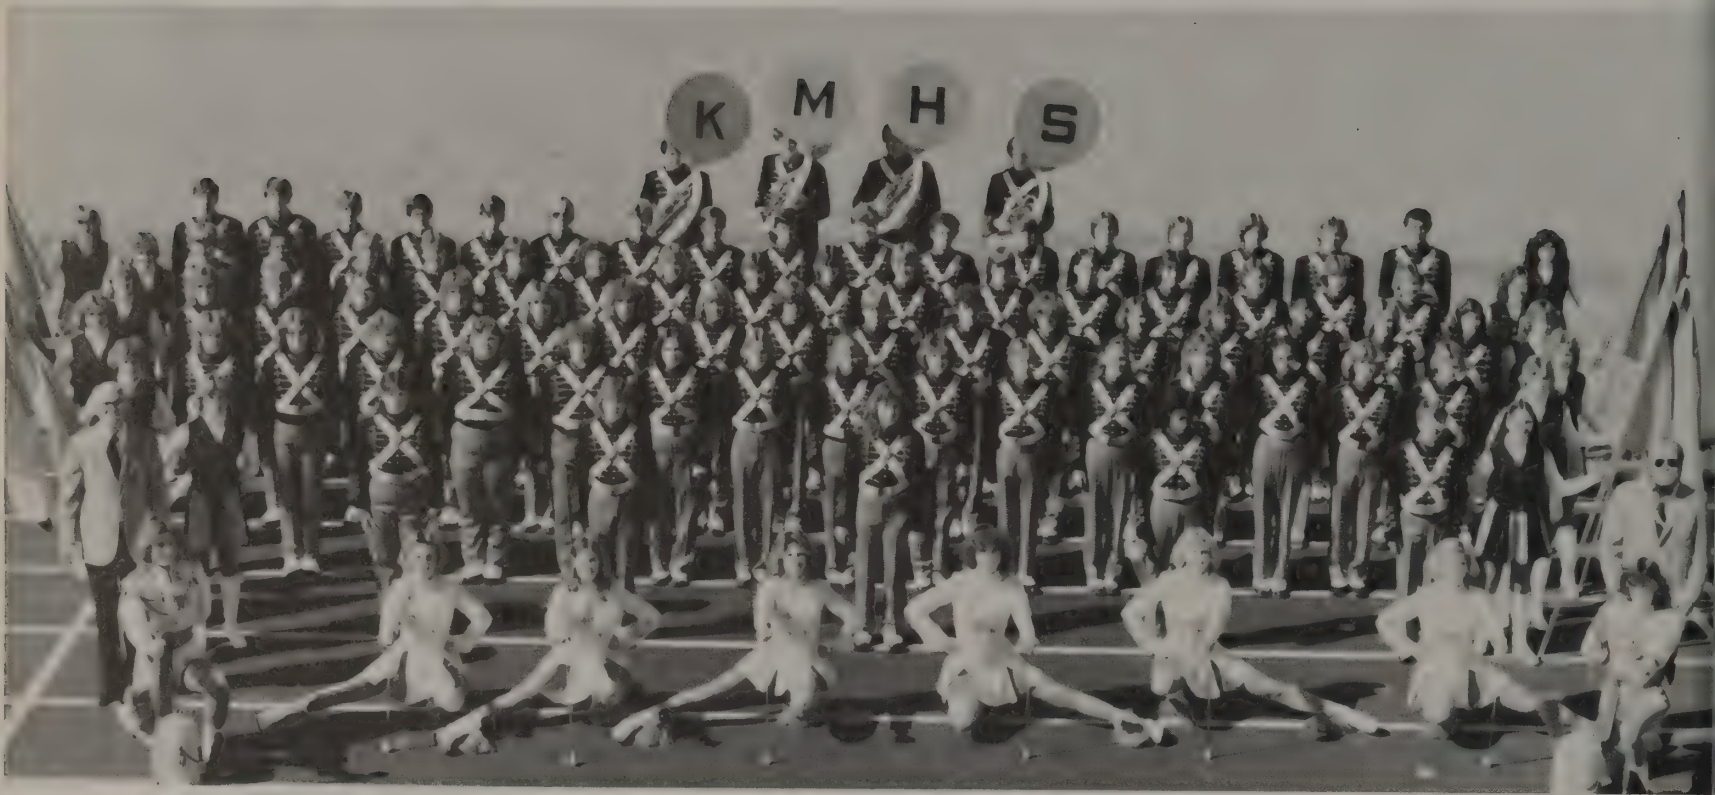

The Beta Club officers are Stephen Lee, President; Janice Scoggins, Secretary; Jeff Lineberger, Vice-President; and Kim Dixon, Treasurer.

A story of natural love.

Two children, a boy and a girl, are shipwrecked on a lost tropical island. When their only way home is lost, they must survive, somehow, alone.

Nature is kind to them. They live off the bounty of the jungle and the lagoon. The boy grows tall. The girl beautiful.

They swim naked over coral reefs. They run in a cathedral of trees. And the warm winds, the turquoise sea, the silk sand conspire to enchant them.

When their love happens, it is as natural as the sea itself, and as powerful. Love as nature intended it to be.

High School Homecoming, Battle Bicentennial Parade

The 1980 Homecoming Parade was a small part of the Bicentennial Parade on October 7; much to the disappointment of the students of KMSHS. The most creative float was number one, a church scene.

Senior sponsors and homecoming nominees rode on the four floats wearing old fashioned dresses. The Homecoming Court followed the floats on a trailer decorated with yellow chrysanthemums. Members of the court were filled with excitement and anticipation as they awaited the game on the following Friday when one of them would be crowned Queen.

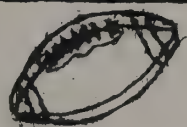

Excitement mounted as the band paraded through the halls. Students followed the cheerleaders and band to the stadium where the Homecoming Activities began. FCA sponsored the "Chew Tobacco Spitting Contest" and Human Relations sponsored the "Tricycle Race". Mr. Westmoreland had a pie thrown in his cute, little face! When the regular pep rally started **SENIORS** displayed the most spirit and also won the spirit stick for dressing up the most during Spirit Week to be displayed in the trophy case. The activities didn't end with school song. The spirit was continued into the game. Mountaineers defeated the Wildcats 7 to 6!

Homecoming Queen

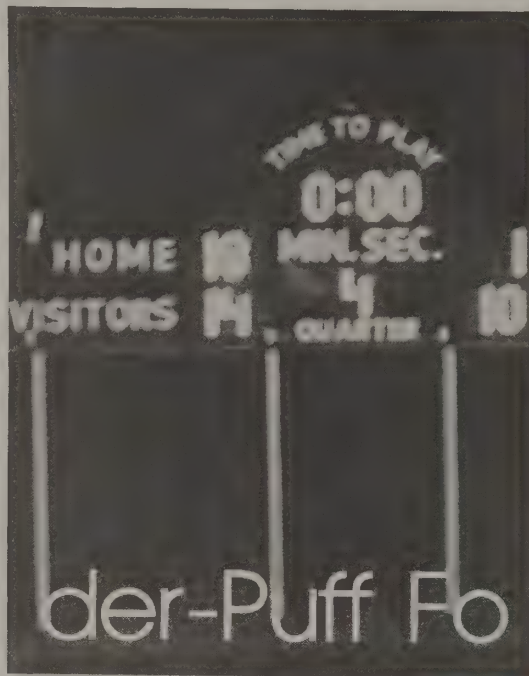

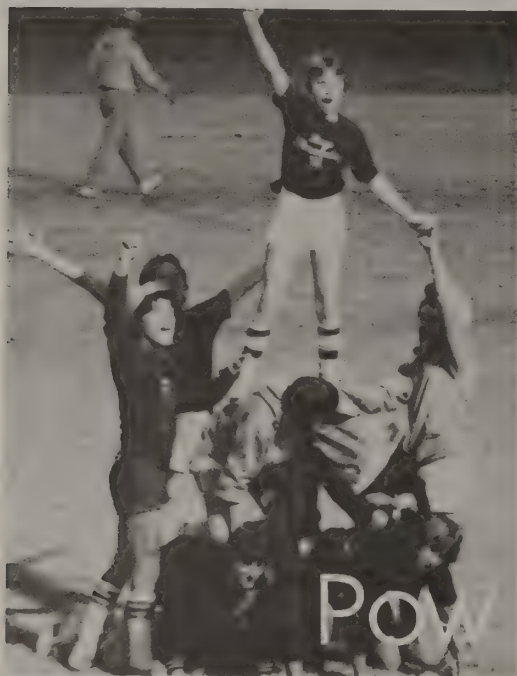

Five girls were elected to the Homecoming Court. They were Terry Bumgardner, Bridget Glass, Sheryl Goode, Leslie Hamrick, and Sandy Horn. Out of these five, Leslie was chosen Homecoming Queen. This is what she had to say about it: "The way I felt was something I wish everyone could have experienced. When I was elected Homecoming Queen I thought my feet were going to drop right out from under me. It was really a trip! The feeling I get from this is really difficult to describe but I know one thing for sure. That is the happiness I have felt since receiving the title of KMSHS Homecoming Queen. Thanks to all of you. I will never forget that special moment in my life."

Her activities include being a Carrousel nominee, a member of the Mountaineer staff, and Chorale. She is also the Mounties Mascot, plays softball, basketball, and volleyball. Leslie hopes to be an airline stewardess.

On Tuesday night, November 25, two unusual teams took to the gridiron as the Junior and Senior girls participated in the third annual Powder Puff football game sponsored by the Beta Club. The Seniors, who were coached by Jeff Lineberger, Dexter Tate, Mark F. Smith, and Keith Pressley, fought a hard battle before rolling to an 18 to 14 victory. Although the juniors lost the battle, their fighting spirit and relentless courage were evident throughout the contest. Their coaches, James Rikard, Eric Spicer, Cam Stewart, Tommy Eubanks, and David Turner, fielded a strong team. Both teams were cheered on by male cheerleading squads with extraordinary outfits and unique cheers.

Carrousel Princess And Nominees

Jolean, the 17 year old daughter of Mr. and Mrs. Cager J. McHone is the 1980-81 Carrousel Princess. She did not know that so much was involved in being the Carrousel Princess. It was a big honor for her.

In Charlotte, she went to luncheons, toured the UNCC Campus, and rehearsed for the Pageant. To Jolean, it seemed like a beauty pageant. She had to dress up and smile all the time.

She met Miss America, Miss S.C., Miss N.C., Miss Majorette America, and Prince Charming of America. Everyone was very nice.

The day of the parade it rained, the temperature was 31 degrees. The Carrousel Princesses stood in the rain for two hours. After the parade a man came to help Jolean to a bus to take her back to the Radisson Hotel. Jolean couldn't move. She was frozen to the float!

Come Sail Away

Come Sail Away was the theme for the 1980 Prom. You and your date entered the high school feeling as though you had stepped on the "Love Boat". After registering and having pictures taken, music by the Spontanes took over in the commons area. The cafeteria had been transformed by white tablecloths, candles, and carnations into an elegant dining room. The Waiters and Waitresses dressed as sailors. The evening wasn't all romantic as someone discovered a goldfish in the punch-bowl.

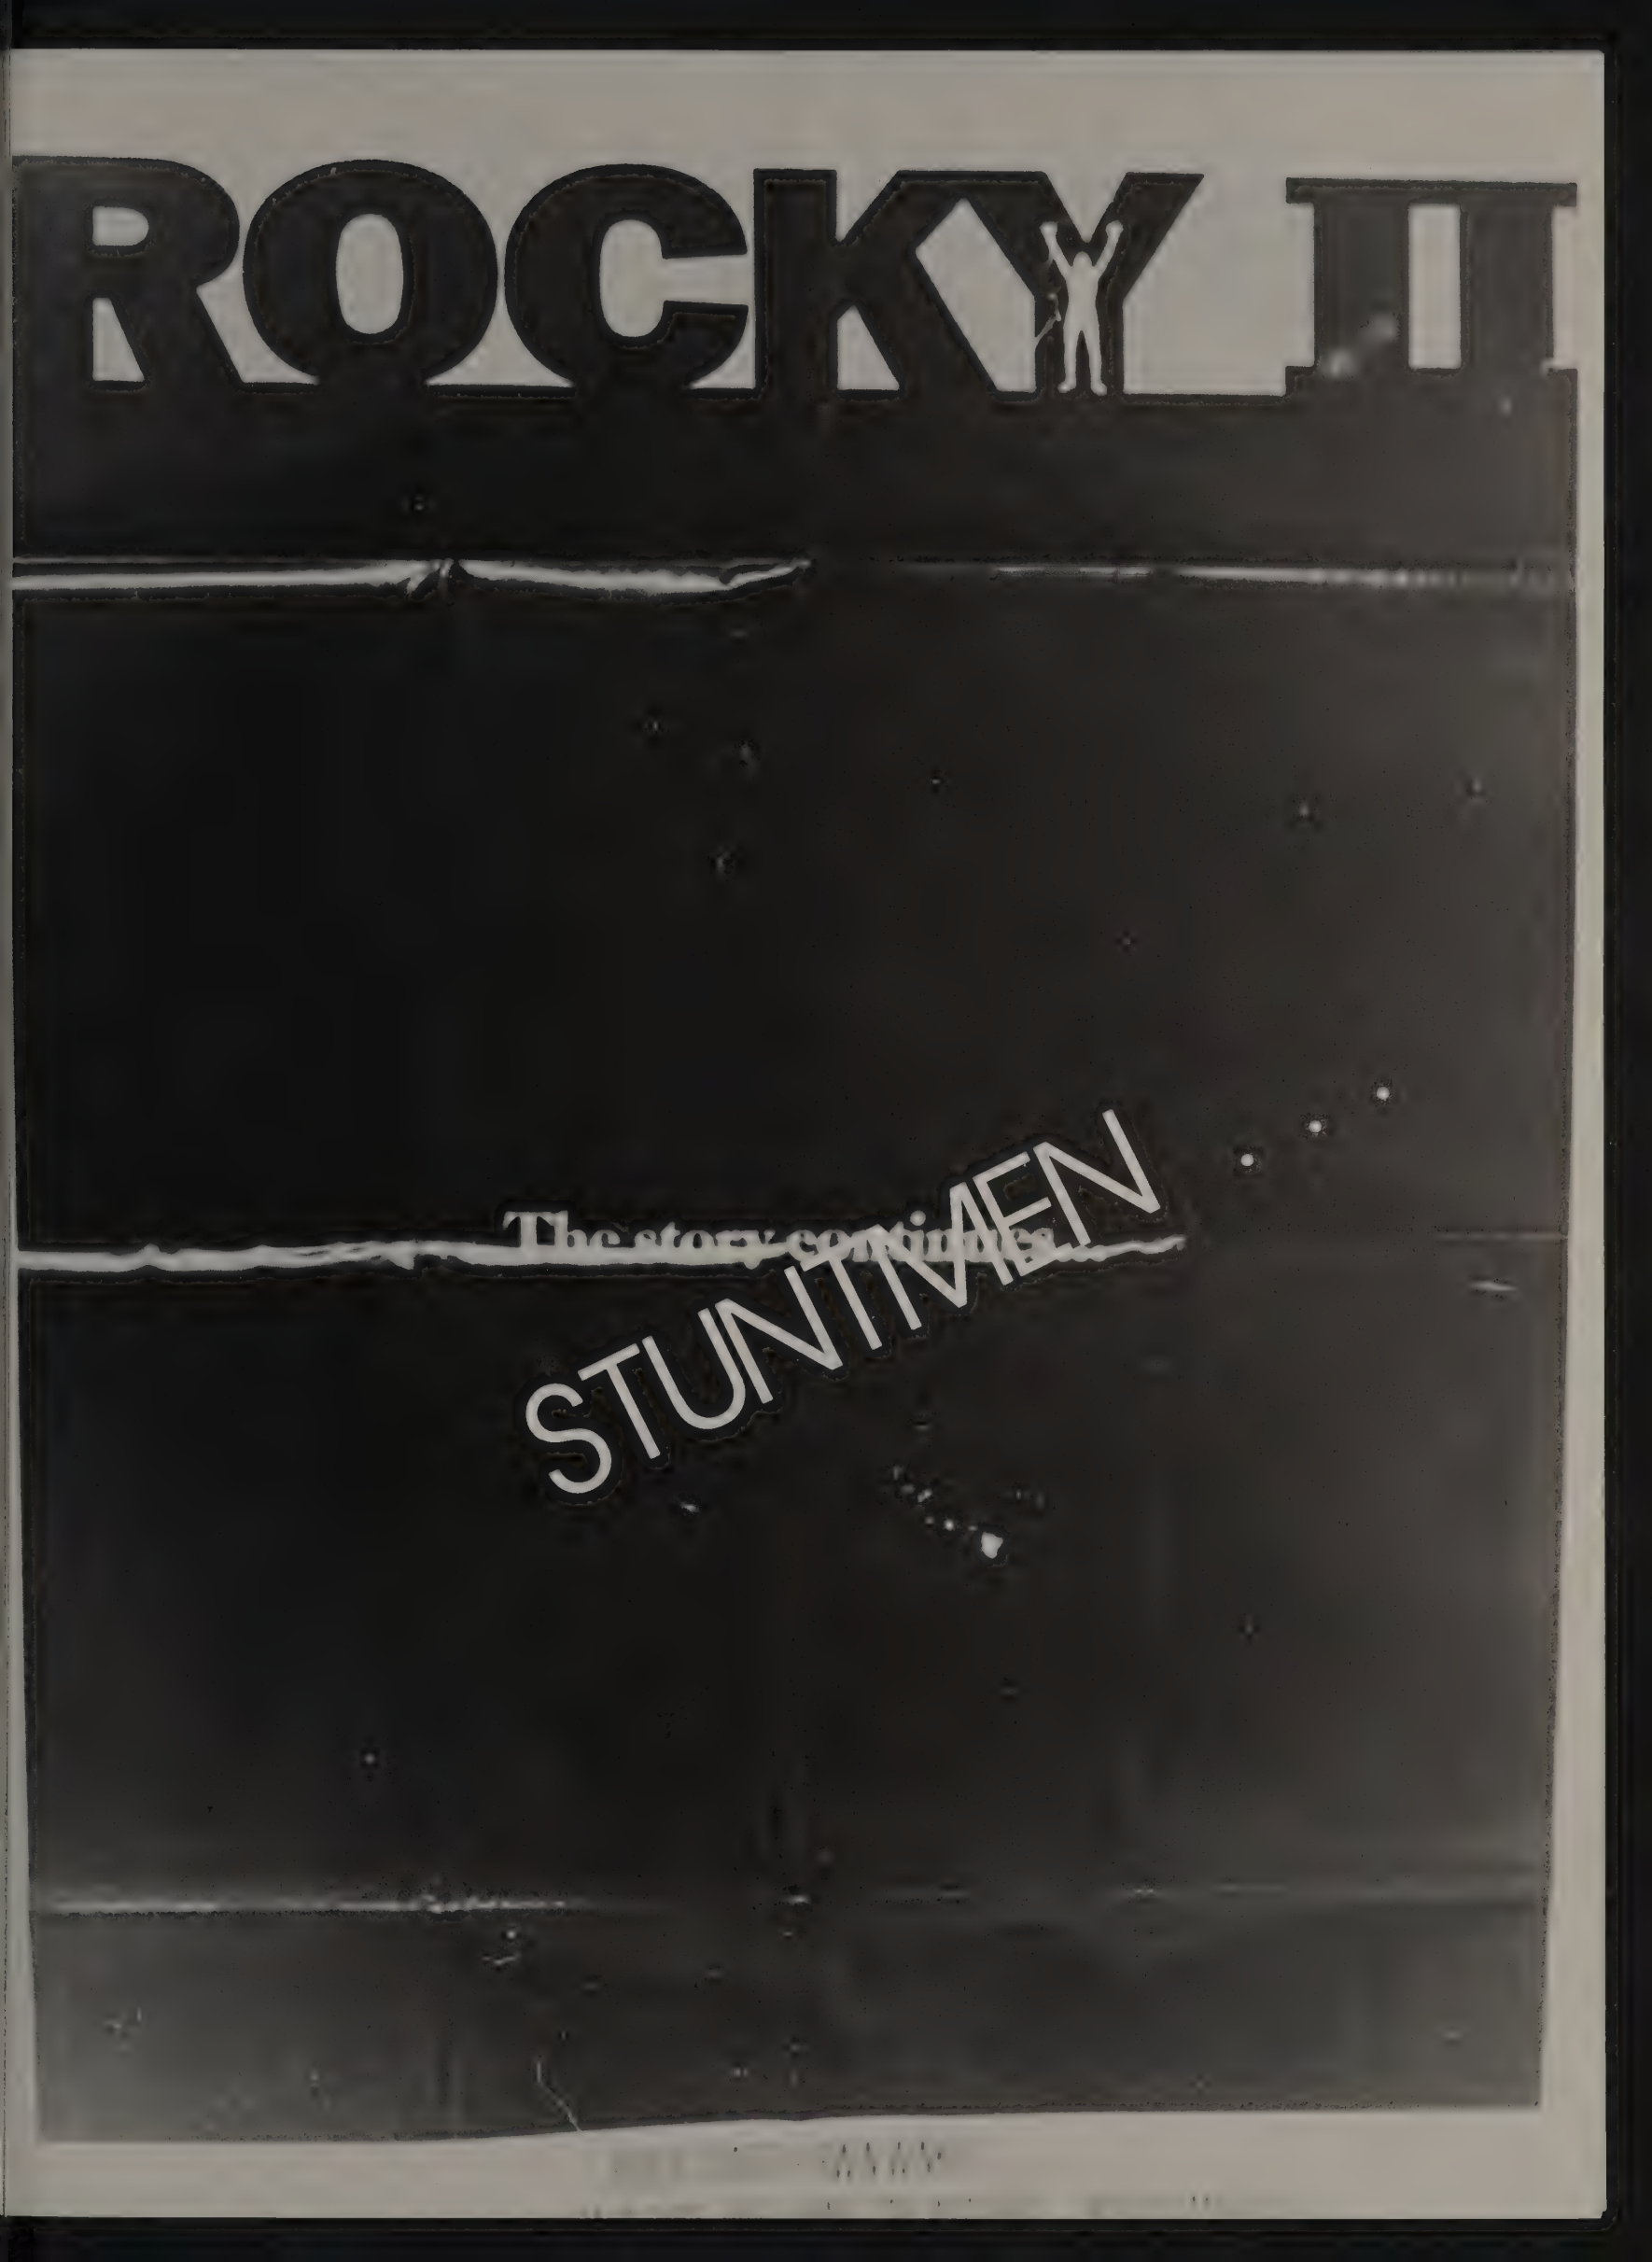

The Male Beauty Contest took place on October 21, 1980. Mr. Westmoreland was the emcee. The contestants competed in formal attire and talent competition. The following participated: Edward Austin, Ben Carpenter, Terry Chapman, Leard Keeter, David Rhea, James Rikard, Cam Stewart, Eric Spicer, Scott Shaw, Tommy Weaver, and Phil Wright. James Rikard was the winner. Other talent was exhibited by the Dallas Cowboy Dancers, the Bubbettes, Mike Chambers and Holly Dellinger.

Varsity Mountaineer Football

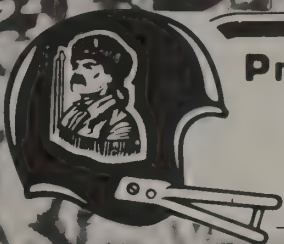

Although the Mounties had a 3-7 season record, there were some bright spots also. A spectacular 75 yard TD pass from Mike Woodberry to Tony Boyce helped lead Kings Mountain to a 19-0 thrashing of Ashbrook. At Homecoming, luck fell our way when Jim Barringer blocked a North Gaston punt and Markus Hager scooped up the ball, running it in for the score and giving the Mounties a 7-6 win. There also some outstanding single performers such as All-Conference selections: Markus Hager and Daryl Strong, both of whom seem to be bright college prospects. Thanks to these two captains, Mark E. Smith and Jeff Lineberger, and all the other graduating players who gave their all for our school.

Football is a game which requires strength, quickness, and dedication. These young men had what it takes and represented our school very well despite the loss of many outstanding players to graduation last year. This season seemed to be one of rebuilding for the Mounties who had many Juniors starting at key positions. Thrust into these starting positions, they gained valuable experience needed to compete in a conference noted for its outstanding athletic programs. This group of returning Juniors along with players coming up from the Jayvee team should be able to be molded into a fine, competitive team. Good luck Mounties!

Success = Mounties

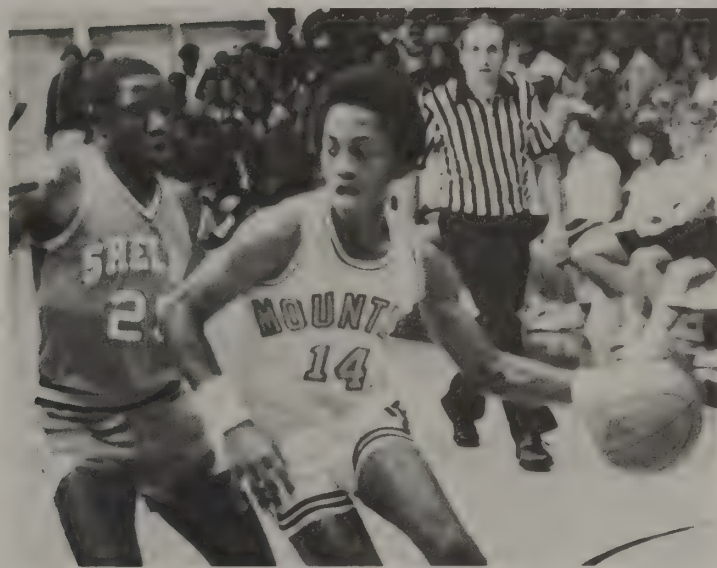

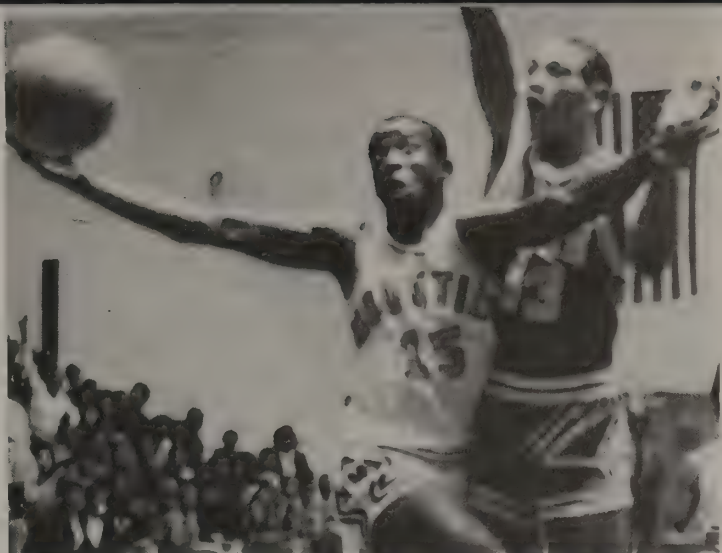

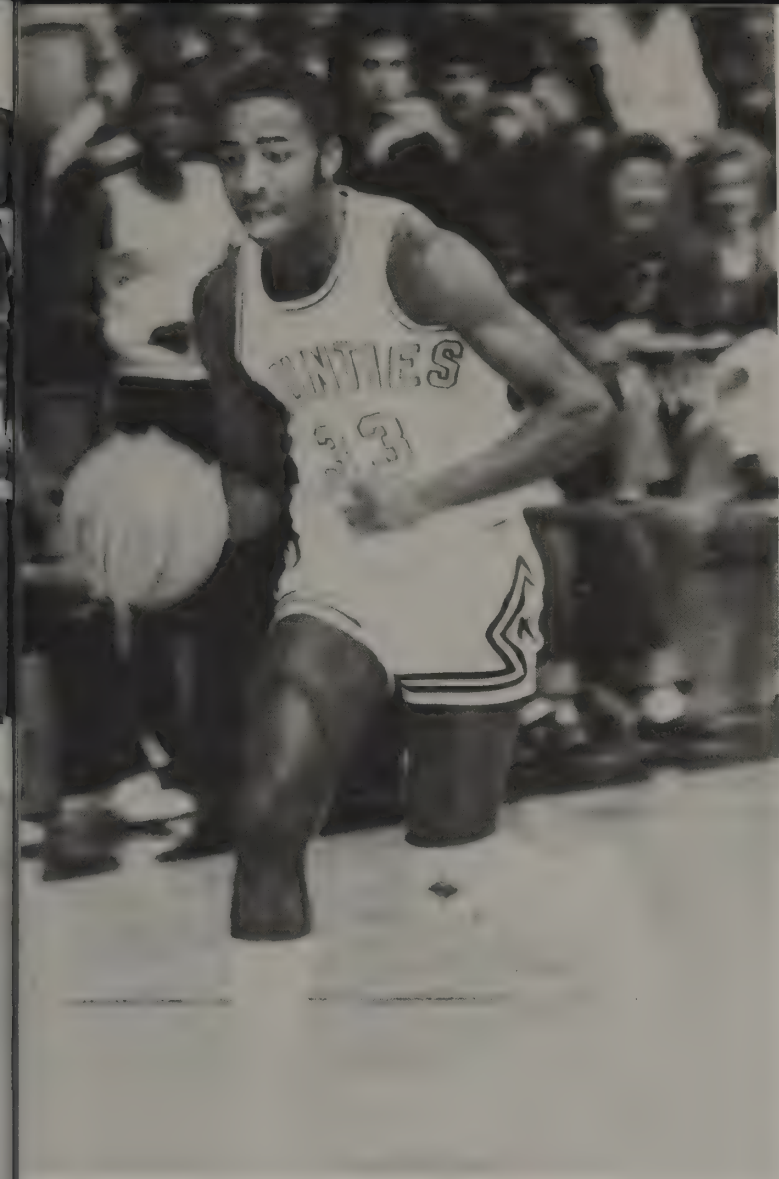

Noah Webster defines **success** as "the attainment of wealth, position, honors, or the like." All of our basketball teams shared success this year, but the varsity boys team shined above the rest. Few teams in the state other than our own could boast a 21-1 record, a conference title, and a trip to the District tournament.

Some of the games were close (51-50 over Shelby) and some weren't (100-48 over East Rutherford) but all were exciting. Carl Smith's imaginative fast-break layups and Gerald Byer's tremendous slam dunks exhilarated the crowd. You could always count on Demetris Goode for the rebound and no one in the conference had the shooting touch of Terrence Blalock or Paul Ingram.

Even though our team was overflowing with talent, they still had to be coached. This job fell to John Blalock. He worked the team hard everyday and disciplined them well. We would like to give our highest praise to Coach Blalock for the fine job he has done.

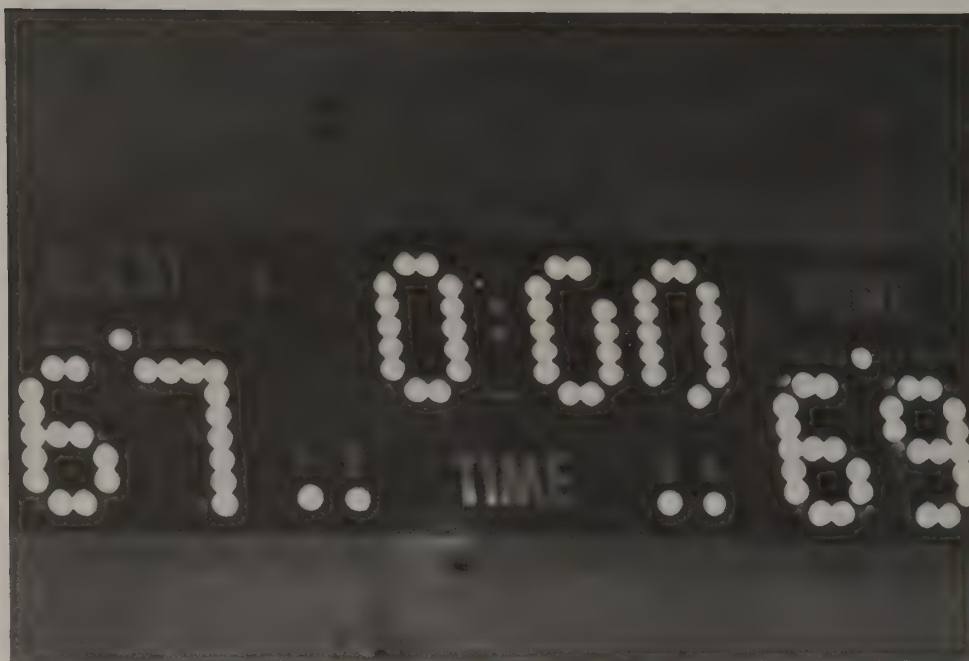

Graduation should not hurt the Mounties in next year's quest for glory. Many of our top players are returning and some very talented players will be coming up from the J.V. team. It seems that Coach Blalock will not have much trouble in producing a winner for the next year. Throw down, Mounties!

Row 1: Robin King, Frank Parker, Jimmy Brown, Carl Smith, Vince Roseboro, Paul Ingram, Max Brooks, R.A. Bell Row 2: Bruce Young, Tommy Thombs, Demetrius Goode, Markus Hager, Gerald Byers, Todd Wray, Terrence Blalock, Novelle Young

Oh What A Night

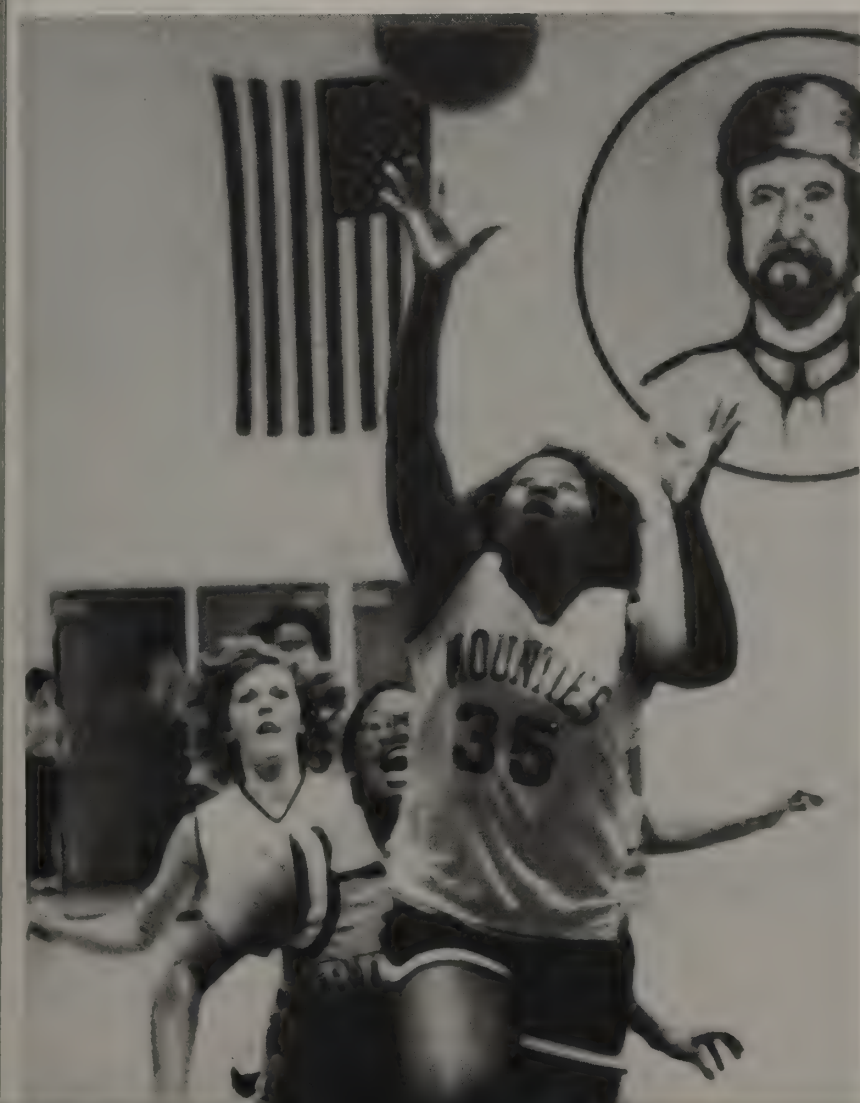

A hush fell over the crowd. The ball bounced; first on the front of the rim, then on the back. After what seemed to be a decade, the ball fell through the net and pandemonium struck. The scoreboard read 69-67. The Mounties had done what seemed to be impossible. January 6 was a night to remember.

The R-S Central Hilltoppers were the defending state 3-A champions. They had won 43 games in a row and were one of the top high school basketball teams in the nation. The Mounties did not seem to be intimidated by Central's appearance on paper though. The Mounties set their sights to the R-S game early in the season. They practiced very hard and this dedication paid off in the end.

The Mounties were underdogs going into the game, but they played head to head with the state champs and the score see-sawed back and forth. With 20 seconds left, the score was knotted at 67 all. The Mounties called time out with about 10 seconds on the clock. Play soon resumed and with just 6 seconds remaining, Carl Smith drove the lane and shot with that magic touch that only Smitty has. The shot dropped in and it became obvious that our team was for real.

February 16-21	Conference Tournament	

This year, our Lady Mounties proved that experience really pays off. With four players from last year's team returning, the Mountainettes, despite a slow start, came on strong and outclassed almost every team in the conference. At one point, our girls had won 9 games in a row, and they went on to finish second in the race for the conference title. Led by seniors Diane Williams, Sheryl Goode, and Bridget Glass, the Mountainettes are expected to do well in the upcoming District tournament in Mooresville.

This year's graduation will hurt our team, but we feel that the Lady Mounties will be able to put a competitive team on the court again next year and in the years to come.

Jayvee sports are essential if a school's athletic program is to succeed. Athletics at the junior varsity level help build a sense of competitiveness that is necessary for its participants if they are to compete on the varsity teams. The young men on our J.V. football team played hard and gained that competitive spirit they need. Some of these players were able to move up to the varsity team during mid-season and performed very well.

Jayvee cheerleaders should not be forgotten either. They worked very hard on their routines and braved the elements in order to root our team to victory. Their dedication and school spirit is greatly appreciated by the entire student body.

Many eyebrows have been raised over Kings Mountain's basketball program this year. Our varsity boys have a shot at the state title and our varsity girls finished second in the conference. But one cannot forget our jayvee team either. This group of young men finished with a 19-1 record and won the conference title for the second straight year.

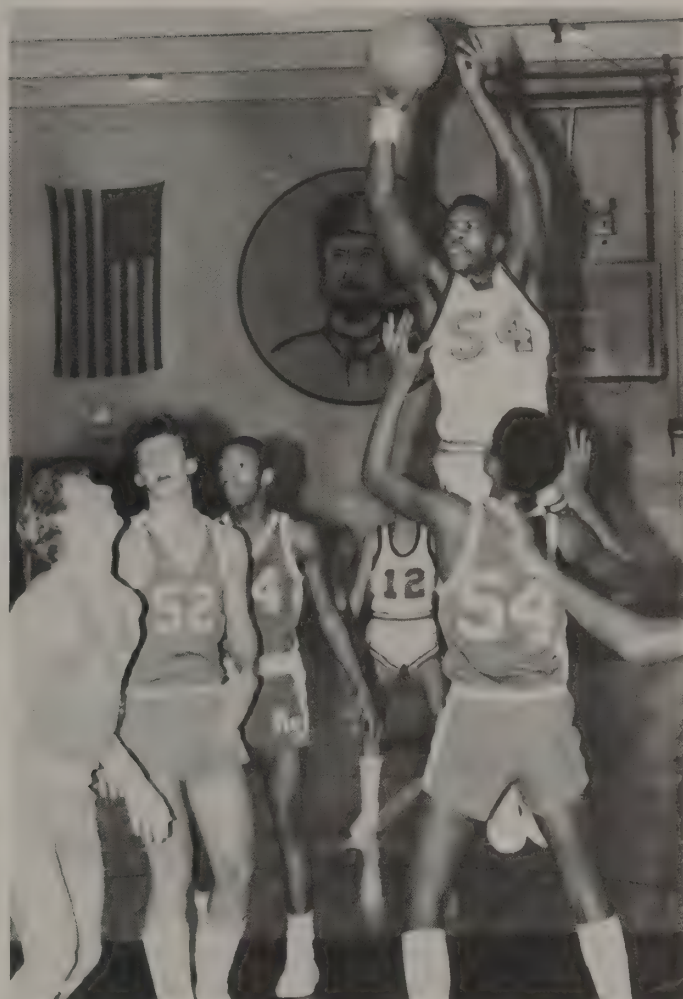

Our jayvee team was just that, a team. If one player had an off day, others were there to take up the slack. Coach McDowell had two very capable point guards in David Peeler and Jimmy Brown, who came down from the varsity team. The Mounties also had a strong inside game, thanks to Avery Grier, David Hager, and Frank Parker. Despite an overtime loss to R-S Central, the Mounties played unequaled by any team in the conference and they proved themselves to be Number 1.

We are looking forward to seeing these young men on the varsity team next year and we wish Coach McDowell luck in building another championship team.

Over Hill, Over Dell, Mountie Runners Will Prevail

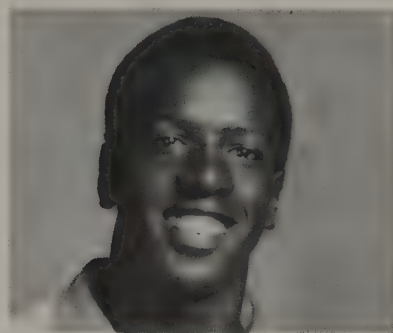

Kings Mountain's Cross Country team had a superb season this fall. Led this year again by the never-tiring Bernard Womic, the Mounties finished second in the conference to R-S Central. Bernard wasn't left alone to carry the whole burden of winning though. Others, such as All-Conference selections Jimmy Brown and Carl Smith did more than their part to lead the Mounties to a successful season. Although Bernard, who was 2nd in the balloting for Conference MVP, will not be returning next year, Coach Blalock will have quite a few lettermen returning and his runners should be in the thick of the race for the conference title.

One fall sport that goes virtually unrecognized is volleyball. At the beginning of the year, a group of young ladies begin practice for a tough season ahead. Even though our team had a losing season, they played hard and showed great sportsmanship. Next year will be a rebuilding year for Coach Brooks since she is losing 4 of 6 starters to graduation, including All-Conference standout Diane Williams. Good Luck Coach Brooks! We are all behind you and our team.

... But Inexperience Shows

In recent years, Kings Mountain's wrestling program has been on the rise. Much of this success can be attributed to the team's outstanding coach, Steve Moffitt. This year though, it became obvious that last year's graduation had taken its toll. The Mounties had six first year starters and had to forfeit three of the thirteen weight classes. Even with this shortage of manpower, the Mounties won their first four matches, all at home. The Mounties didn't seem to excel on the road though, and wound up with a 4-4 record.

As always, there were a few outstanding single performers. Bernard Womic won the Gaston Invitational Tournament and went into the conference tournament with only one loss. Bernard avenged this loss and went on to take the conference title, his second in two years. We expect Bernard to have a high ranking in the state at the end of the season. Joey Wyte also had a fine season. Although hampered by an injury early in the year, Joey came on strong and won the conference championship in the 105 lb. class. Jimmy Watkins and Tommy Welch adjusted very well from the Junior High program and have already proven themselves as great assets to the team.

It doesn't seem that graduation will hit the Mounties as hard this year, and with a fine crop of Junior High wrestlers coming up, the Mounties should rebound to the top ... again!

Lady Netters "Net" 9-3 Season

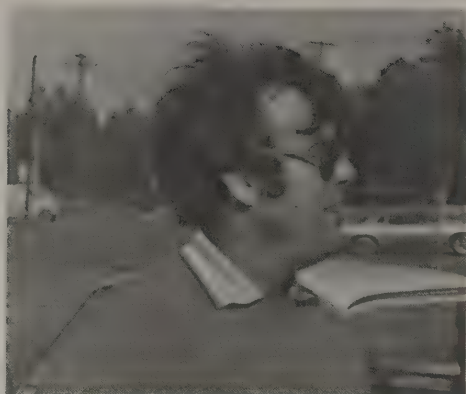

Kings Mountain's Lady Netters had another great season this year under the outstanding coaching of Mr. Ed Guy. Coach Guy couldn't do all the work though, and it was the great play of our girls that led the team to a 9-3 record. Led by All-Conference selections Jamie Humphries, Kim Moss, and Bridget Glass, the Mountainettes finished second in the conference behind Shelby for the third straight year. Four of our players, Jamie, Bridget, Kim and Wanda Witherspoon advanced past the sectional tournament in Chapel Hill. Although four starters are lost to graduation, Wanda Witherspoon and Karen Ledford, who is recovering from a broken foot, will be returning along with others. With this base, Coach Guy and the Mountainettes should enjoy another successful season.

Boys Tennis Team Plays To Win!

Tennis is more than back-handing a fuzzy ball across a net with a racket. It takes many hours of practice to perfect the skills of the game. Vetern Coach Ed Guy has a string of fine seasons behind him but this year may be one of rebuilding for our netters. Coach Guy has quite a few first year players on the team and it will take a lot of hard work on both the player's and coach's part to mold these young men into competitive athletes. Coach Guy has some returnees too. Greg Hambright, Scott Hardin, Mike Cornwell, and Jay Schronce will all start and will probably use their experience to lead our team to another good season. It won't come easy though. Our netters had a slow start but we feel that they will rebound from their early loss to finish strong.

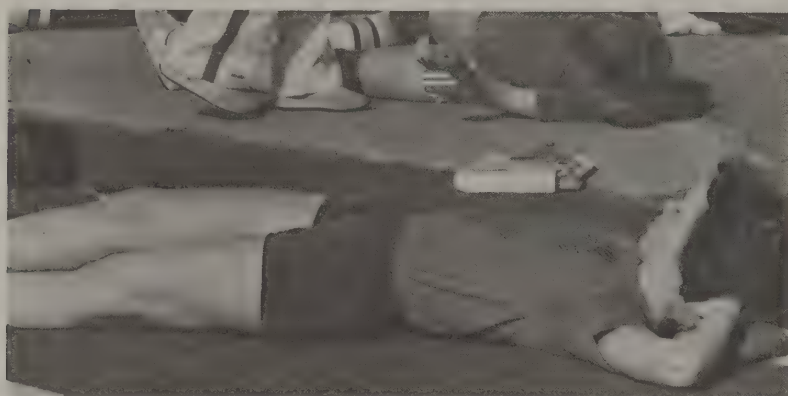

Howard Allen, Brad Curtis, Chris Barnette, Jay Schronce, Scott Hardin, Greg Hambright, Lindsay Davis, Mike Herndon.

Mountainettes Bear The Elements . . .

Although track is considered a spring sport, practice actually begins in the heart of winter. During February the young ladies of our track team started getting in shape for the season to come. Low participation will hurt our team though. Very few girls came out for the team and this will probably hurt their chances at a high finish in the conference meet.

Since track is technically an individual sport something should be said of the people involved. Kathy Stamey is a returning miler and Sheryl Goode is strong in the high jump. Bridget Glass and Diane Williams are also participating in the hurdles and long jump respectively. Even though we will probably not be strong as a team, these individuals should represent our school very well. We would also like to extend our appreciation to Mrs. Brooks who spends her time coaching these young ladies. Thank you Coach Brooks and good luck!

Track is an individual sport. Even though you are a part of a team, you participate on your own. Many promising young athletes came out for track this year in hopes to excel in some event, whether it be sprinting, distance running, or the field events. The sprinters were the core of last year's team. Led by Kevin Mack, our sprint corps was the finest in the conference. It seems that the field events will be stronger this year though, along with the distance runners. Bernard Womic and Jeff Lineberger will be competitive in the running events. Since quite a few basketball players are on the team, the Mounties should also be strong in the high jump, long jump, and triple jump.

The Mounties have a tough schedule but we feel that they will hold their own and represent our school very well.

Coach Tim Echols

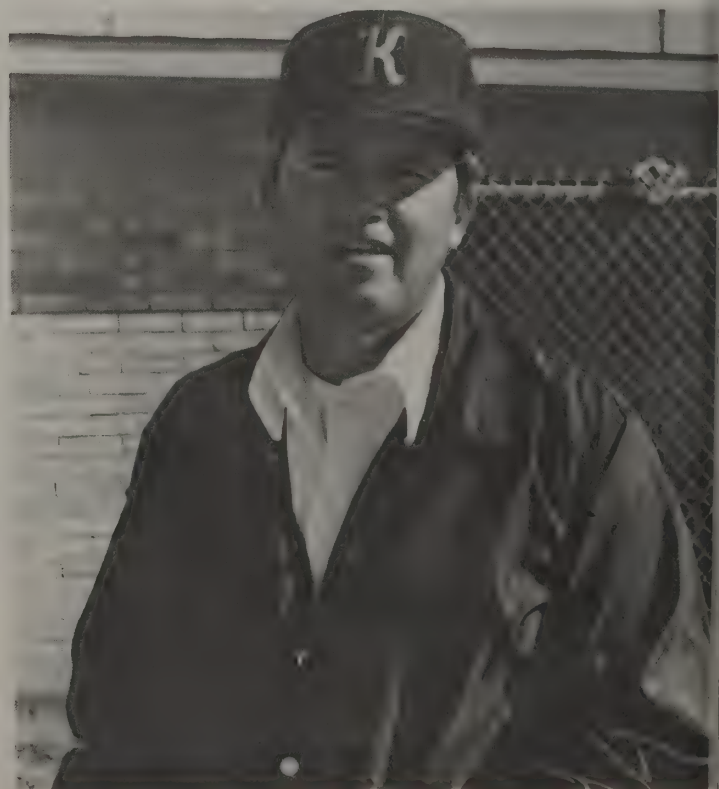

Once football and basketball are gone, many people seem to forget about their school's athletics, however Spring brings a new sports season. One of these sports is softball. Our young ladies begin practice in early March, and polish such skills as batting, fielding, and base-running. Last season, our girls finished second in its conference and participated in its sectional tournament. The softball team has a new coach this year. Mr. Tim Echols, who came here from Ashbrook, replaced Coach Brinkley. Coach Echols seems to have a fine nucleus in which to build an excellent team around. Senior players such as Bridget Glass, Mary Ann White, and Renee Cook will provide the needed leadership for our girls to perform as a team. We are looking forward to seeing our girls in postseason play again this year. Good Luck!

Mountaineer Golfers Drive For Success

At the core of the 1981 golf team are five returning players-Jim Bumgardner, Jack Jackson, Lee Neisler, David Rhea, and Dexter Tate. With this solid foundation Coach Bob Jones should have positive results from his largest team ever. Hopefully the large number of sophomores will provide leadership in the years to come.

Coach Bob Jones, an excellent golfer in his own right, provides the Mountie golf team with solid coaching. Here, Coach Jones demonstrates his smooth, putting ability. Even though this year is promising, the Mountie golfers can't help but look for the future with seven sophomores.

SEATED: Casey Durham, Rodney Sellers, Guy Bickley, Mike Dixon, David Bradley, Jimmy Lackey, Jerry Hollifield.
STANDING: Jack Jackson, Lee Neisler, David Rhea, Dexter Tate, Bob Smith, Mike Donald, and Jim Bumgardner.

As the school year approaches, one tends to reflect on the events that have taken place during the year. Football, basketball, dates and the prom are all in the past and they blend into one precious memory. But thoughts are not all on the past; Seniors are looking forward to graduation, the beach and college; Juniors look forward to summer vacation and being seniors and Sophomores just look forward to being.

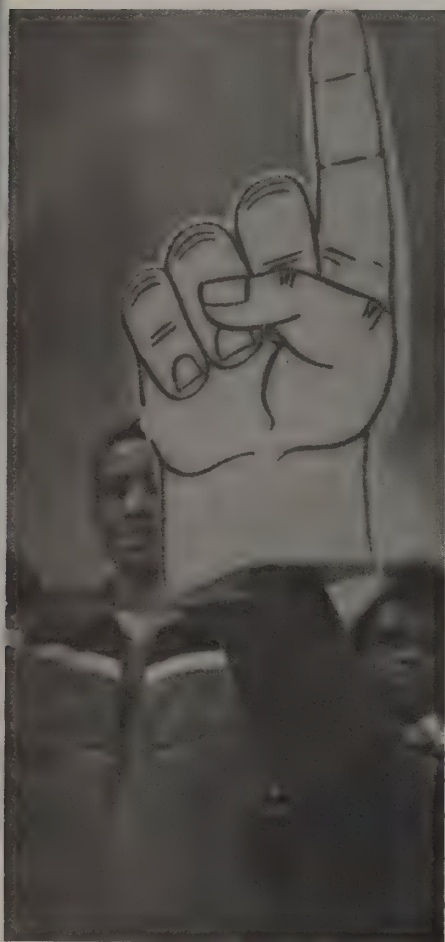

The end of the year is filled with many activities for Seniors. The Senior class play, Junior-Senior Prom, Awards Day, cap and gown pictures, Senior picnic, baccalaureate service and finally graduation are only a few. For many it may be the last time they see their classmates, but for others they may see each other in a daily school routine at college or maybe at a place of employment, however, May 29, 1981, will be the final day they know each other as students of KMSHS. This will be goodbye.

Statistics And Thanks

The 1980-81 edition of the **Milestones** is once again published by the Josten's American Yearbook Company; the third year that Kings Mountain Senior High School has had their yearbook published by this prestigious company. The **Milestones** contract falls under the Cameo program. Our yearbook is a 9 X 12 inch size book with a sewed binding and a rounded and backed spine. Seven hundred copies of the **Milestones** were ordered and the annual contains 216 pages. The base ink color is black which is printed on Dull 199 paper. As in the past the **Milestones** contains two multiples of type C color.

The cover of the **Milestones** is a custom silk-screen. The artwork was done by Mrs. Diane Harper, art teacher at Kings Mountain Senior High School. The base color of the cover is Black 535 with the applied color being Pale Gold 328. The endsheets are Gold Dust 286 and the stamped names are in Gold Foil 380.

The original contract was signed by Keith Mathews. Our representative for this year, however, was Mr. W.D. "Dee" Ferrell. The **Milestones** staff would like to take this opportunity to thank both Josten's American Yearbook Company and Mr. Dee Ferrell for an excellent job and outstanding service.

It is fittingly apropos that the theme of this year's annual is movies, considering that the Oscar nominations have just been announced as I write this. Putting together a high school annual is an extremely difficult task, and without the help of some unselfish and talented people, this production would have been impossible. So I would like to announce my own Oscars as a way of saying "Thank You".

Diane Harper receives the Oscar for Best Art and Art Director. She contributed the artwork for the cover and supervised the Senior Art. There was a tie for the Best Photography Oscar-between I.G. Alexander and Gary Stewart. Mr. Alexander always turns out quality work at a moments notice, he gives us excellent advice, and he is always pleasant to work with. Gary Stewart gave our own photographers a short course in darkroom management and he never hesitated to loan us pictures. The **Milestones** could not have been produced without the invaluable help of these two gentlemen.

There are several Oscars for best supporting role-an annual needs all the support it can get. I would like to thank the following for their supportive roles: The merchants of Kings Mountain, who help defray expenses; the Superintendent of Kings Mountain District Schools-Mr. Bill Davis, who provided some

dark room materials for the staff; the faculty of KMSHS who had to put up with interruptions and missing students; Mrs. Juanita Goforth, who provided excellent copy on less than a moment's notice; the photographers, who got a lot of criticism and very little support from me; Mr. Robert L. Bradley, who helped the Homecoming Court get their picture made in court, and finally, the **Milestones** staff who sold ads, annuals, and popcorn and even helped put the book together.

The last Oscars go to Kim Dixon and Dennis Caveny for their role as Best Directors. Kim has always been a tremendous help and I could not have made it through this year with out her help. Her "niceness" is a glowing tribute to her personality. And then there's Dennis. He does a good job of being tall and losing pens but more importantly he has been a tremendous help throughout his three years on the annual staff. Whether he was drawing a layout in three minutes or working in the concession stand, he always did an excellent job. This year he was saddled with a great responsibility and he "performed" well. I'll miss these two outstanding performers-thanks for a job well done

JRR

After several months of waiting the 1981 edition of **Milestones** is out. We hope that all the students here will enjoy this book as much as we enjoyed working on it. The theme of this year's annual, movies, is one we hope you can all identify with. After all, we are only the characters in the movie of life. We hope that all of you have been captured "on screen" in this book either by being in a club, screaming your lungs out at a pep rally, marching in the band, playing in a football game, or just clowning around with your friends. It seems like only yesterday when we nervously arrived for our first day in elementary school. How can twelve years, especially the last three, go by so fast? We hope you will look through this annual sometime in the future and remember the good times of 1981.

I would like to take this opportunity to thank sev-

eral people who have helped make this annual a success. First, I would like to say thanks to Mr. I.G. Alexander for his time in taking and developing our color section and club pictures, all my teachers for letting me out of class "to go work on the annual", the photographers for doing such a good job, the staff for their time and efforts which are shown on the preceeding pages and for putting up with me for nine months, Mrs. Carol Ann Peeler for being such a good friend and teacher, Elizabeth for her undying support and friendship, Kim for being a terrific assistant, neighbor, and friend, Mr. Joe Rountree, without whose leadership, advice, and friendship I could never have made it, and Lynn for always being there.

To all these people, thanks.
